

Nuh's Big Boat

☆ Starring Rahmah & Amal ☆

A story from the Qur'an ﴿

**Allah told Nuh, so kind and
true:
“Build a big boat — I'll help you
through!”**

☆ **Building the boat**

**Then two by two the animals
came,
big and small, none quite the
same!**

☆ **Two by two**

**Up the ramp they hop and
crawl —
the boat was big enough for
all!**

☆ **All aboard!**

**The rain came down, splish-
splash-splash,
the boat set sail — what a
wash!**

 **Down came the rain**

**But Allah kept them safe and
sound,
gently floating, safe and round.**

☾ Safe with Allah

**The rain then stopped, the sun
shone bright —
a rainbow filled the sky with
light!**

 **Sunshine!**

Off they hopped onto the land

—

Allah's care is oh so grand!

 **Alhamdulillah! • The End**

♥ A little note for grown-ups

This is a gentle first telling of a **Prophet story** — the Prophet Nuh (peace be upon him) and the big boat — from the Qur'an.

Out of respect, we never draw the Prophet, so the story is told through the ark and the animals your children will love.
